

Skills/Drills Clinics
Riverview Park, Eagle River, WI
Wednesdays, 6/30/21 – 9/8/21, 9-11am

Looking to improve your play? Want to have your games last longer? The weekly Skills/Drills Clinics might be for you, with safety and fun being our priorities...

...we do our best to place you on a court with similar skilled drillers

...clinics begin with short Q&A regarding rules, protocols, etc.

...focus on three different shots (strokes) using PPR approved game-based drills

...each shot drilled for 20 minutes, followed by 10 minutes of playing out point focusing on the shot drilled

...two hydration breaks built in to each session

...no long-term commitment, simply sign up each week you want to drill

...ERPA members have priority in signing up for Skills/Drills sessions

...must be vaccinated for Covid 19

...sign up for the master list, which allows you to sign up for the weeks you want to drill...contact robdiANEK@gmail.com
